LONDON STYLE PIZZA

This pizza was invented by Japes in 2023.

It is as international as London itself.

Our new dough is made using Sicilian centuries old tradition. It is topped with British mozzarella and tomato sauce made with 11 ingredients from all over the world.

Caramelised cheese crust comes from the city of Detroit.

CHICAGO STYLE PIZZA

This pizza was invented in Chicago in 1943.

Chicago deep dish pizza is made in deep iron pan which shapes its deep golden crunchy crust.

Tomato sauce on top shields ingredients from direct heat and helps them cook slowly and keep their full taste.

Chicago Style pizza is famous for having the best cheese-pull of all pizza styles.

ALLERGEN INFO

Please inform our staff members if you have any allergies. We prepare our food in the kitchen with products containing gluten, peanuts and nuts as well as other allergens. The allergy data has been derived from supplier specifications on the allergenic ingredients that have intentionally been added to the final food product. We have taken all reasonable steps to ensure that this data is accurate, but we cannot guarantee that any product is 100% free from any allergen due to the risk of cross contamination in production, supply and preparation.
